"There were three springs that broke on one part of the couch. I was upset since I only had the couch just under two years! I cannot see the way the repair looks but it's a lot better to sit on! I was happy that it was fixed. The technician was very polite and fixed our couch quickly!"

Jessica, Las Vegas, NV

"There was a rip at seam. I felt dismayed, but it is good as new now. We were a bit surprised as we couldn't even see where the tear at been."
