

Furniture Of Your Life
IT'S STEINHAFELS...RELAX!

Dear:

Five years ago, the Guardsman furniture protection plan you purchased at Steinhafels was a wise investment. Because you have not made a service claim on the furniture you purchased, we are pleased to send you a certificate equal to the purchase price of your service plan.

This credit can be applied towards your next furniture or mattress purchase (excluding accessories and rugs), including sale and clearance merchandise! This certificate is valid for 1 year, cannot be redeemed or exchanged for cash, and may not be used for payment on any credit or loan accounts.

Shop **steinhafels.com** to see our most current selection of furniture and mattresses!

The Steinhafels team appreciates your business, and looks forward to serving you again soon.
