Make It Your Own
BY STEINHAFELS

BEST GLIDERS

Best Chairs was founded in 1962 and is family-owned by the Lange family with headquarters and manufacturing facilities in Southern Indiana. The company's success story began with a very simple theme: make the best quality product at the most affordable price. Today their facilities cover over 1,100,000 square feet in five locations with over 1,000 employees and is growing to become one of the largest furniture manufacturers in the world. All Best chair styles are second-to-none for strength and durability. Solid wood construction guarantees consistent quality and product strength in all styles. The company remains committed to quality and the satisfaction of their customers.

MAKE IT YOUR OWN!

All gliders from Best are stocked in the fabric shown. Customize Best gliders by special order, choosing from hundreds of covers (fabric, faux leather and leather) and optional wood finishes. In addition, choose mechanism options like glide lock or swivel glide. Not all options are available on all gliders.

HOW TO ORDER

1. Choose Your Piece
2. Choose Your Mechanism (Note: Not all covers and mechanisms are available on every piece.)
3. Choose Your Fabric or Leather
4. Choose Your Wood Finish

From baby's room to the great room to heirloom.

A mother cradling her newborn, the quiet back-and-forth motion lulling him to sleep, or a grandmother reading a favorite childhood book to an eager toddler. These are the serene moments that Best Home Furnishings Glide Rockers are made for. Over the years, countless caretakers and storytellers have trusted Best Glide Rockers for the longest, smoothest glide available. If you're looking to create your own tradition of tranquil moments, select a Best Glide Rocker and ottoman for that familiar "float-on-waves" feeling you knew as a child.

Longest glide.
Smooth operation.
Timeless style.

The only gliders worthy of being called Best.

LONG-GLIDE DESIGN
All-steel encased ball bearings and engineered lubricants work together with revolutionary "long-glide" design for smooth, comfortable glide action.

OPTIONAL 10-POSITION GLIDE LOCK
Pull-handle lock prevents chair from gliding for easy entry/exit, and maximum reclining.

HIGH-DENSITY FOAM/HIGH-LOFT PREMIUM POLYESTER CUSHIONING
Plushest, most comfortable seat in the industry.

SUPERIOR SPRING CONSTRUCTION
Sinuous wire springs are cross-wired to prevent sagging. Spring clips are coated with polypropylene to prevent squeaks.

VERSATILE STYLE
Wide selection of fabrics, woods and finish options to match every taste and décor.
