## Simple, Classic Tailoring in a Timeless Style

Smooth edges, rolled arms, and exposed block legs give London classic appeal as a living-area staple. Welt cording trims the back and seat cushions for a finishing touch. With materials and construction backed by lifetime guarantees, this style will feel comfortable today and for years to come.

### DESIGNED FROM THE INSIDE OUT

For over 100 years, the Blue Steel Spring™ has differentiated Flexsteel products. Its strength and resilience creates a "just right" balance of softness, support and quality. So whether you've got big people or little people, wild jumpers or careless plopplers—not to worry—the Blue Steel Spring has got your back.
