Homecrest offers over 20 collections in our casual outdoor furniture line. Our collections reflect a variety of styles, including deep seating and dining. Whether you're relaxing on your patio, celebrating with friends, or just enjoying the outdoors, Homecrest furniture will satisfy design tastes from coast to coast.

Sensation fabrics, offered exclusively by Homecrest, are unique in the outdoor furniture industry. They combine the strength and UV-stability of PVC fibers with the comfort and outstanding memory of elastomeric yarns. Combine this with our proprietary double layer, ergonomically contoured sling technology, and you get arguably the most comfortable outdoor sling chair on the market.
