

UPHOLSTERED FURNITURE

Jackson Furniture Industries was founded in 1933 In Cleveland, Tennessee. They are still located there today and have 6 factories and over 1,500 dedicated employees committed to producing comfortable and long lasting furniture at value pricing. The company is still family-owned and is now led by a third generation. Everything is manufactured with extreme precision and care, offering you the quality and value you deserve. Jackson specializes in deep-seated, comfortable seating with thick cushioning.
