

CABO COLLECTION

Headquartered in Alsip, Illinois, NorthCape is an industry leader in outdoor furniture, cushions and accessories. The company's corporate philosophy strives to provide customers with style, comfort and value. To achieve this, NorthCape tests their resins to 4x the industry standard, uses durable Sunbrella® outdoor fabrics, and operates a 250,000 sq. ft. warehouse and a full-line domestic sewing manufacturing facility to help offer outstanding selection and special orders to their customers.

MAKE IT YOUR OWN

Cabo, our top-selling collection, features contemporary design in all-weather wicker. Featuring Jacobean resin that's been hand woven over a sturdy aluminum frame, Cabo offers the versatility of a modular seating collection as well as the comfort of plush cushioning and suspension support under each seat.
