

HAMILTON LEATHER SOFA

Omnia is a family-run business with Italian beginnings. Their headquarters and factory are located in California. They pride themselves as having a keen eye for detail and exquisite styling, offering you high quality and custom choices since 1989. Comfort, quality and style make up the core of their foundation. They bring you designs that complement your lifestyle and celebrate life's greatest occasions, and specialize in seating hand-tailored for you. They believe comfort is personal. Omnia's wide range of leathers and trims combined with production in the US make their furniture an excellent choice when you want to create a one-of-a-kind piece. As a founding member of the Sustainable Furniture Council, Omnia is proud to create products with a focus on improving our environment. Omnia has participated in a recycling program that saved hundreds of trees from destruction to date. Through their efforts they have effectively saved over 50,000 pounds of paper in the 8 years that they have participated.
